

Hay Beach Property Owners Association 2015 Survey

Please check the circle that most represents your feelings and add any comments you feel will be helpful to us:

DEER & TICK:

1. Within the past year do you feel the following have had an impact on the deer population and/or tick borne diseases:

4- Posters

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	COMMENT:
Not At All		Yes		Exceeded Expectations	

Culling of the herd:

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	COMMENT:
Not At All		Yes		Exceeded Expectations	

2. Have you or any member of your family suffered from tick borne disease?

Yes <input type="radio"/>	Past years: <input type="radio"/>	COMMENT:
No <input type="radio"/>	New in 2014: <input type="radio"/>	

3. Last year's survey showed Hay Beach respondents had a divided opinion on the use of Permethrin. Please indicate your feeling on its use:

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	COMMENT:
I support & Apply	I support	I'm Neutral	I don't Support	I'm strongly Against	

WATER QUALITY

1. Do you feel our local government is doing enough to safeguard the quality of Shelter Island's drinking water?

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	COMMENT:
Not At All		Yes		Exceeded Expectations	

2. Are you experiencing any potable water issues on your property?

Yes <input type="radio"/>	Past years: <input type="radio"/>	COMMENT:
No <input type="radio"/>	New in 2014: <input type="radio"/>	

3. Older and unmaintained septic systems have been connected to the quality of our SI drinking water and marine life. Would you support all new construction requiring an alternative wastewater treatment system, which removes 50% of the nitrogen as compared to the effluent from standard septic systems?

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	COMMENT:
Not At All		Yes		Strongly Support	Need More Information	

4. If the quality of the local fresh water should become unpotable, would you feel it was the property owner's responsibility or the local government's responsibility to provide potable water?

<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	COMMENT:
Individual Homeowner	SI Town	Suffolk County	Other	Need More Information	

5. Regarding turf irrigation, which of the following do most support:

- Total ban on all automatic turf irrigation systems
 - Grandfather existing turf irrigation systems and ban all additional systems
 - Permit additional turf irrigation systems with cisterns
 - Permit additional turf irrigation systems without cisterns.
 - Need more information
- COMMENT:

REFUSE COLLECTION

1. Do you think that curbside collection of garbage (putting refuse container on the street or at the end of driveways) is appropriate for our area?

Yes COMMENT:
No

2. Do you think the Town of Shelter Island should establish guidelines for household collection of refuse?

Not at all Maybe Yes Need More Information COMMENT:

CONSTRUCTION

1. How well do you feel the existing building codes are being enforced?

Need Better Good as is Need Less Need More Information COMMENT:

OUR ASSOCIATION

If you have had a chance to visit our website (www.haybeachshelterisland.com) –What is your initial reaction?

Not Necessary Helpful Exceeded Expectations COMMENT:

Are you an artist or writer within our community? If so, would you like to be included on the *The Arts Within Hay Beach* page of our website.
